

Skomer Marine Nature Reserve Photographic Competition 2009

Visitors are fortunate to witness first hand the beautiful coastline and under-waterworld of the Skomer Marine Nature Reserve. The wonderfully scenic coast and seabed provide an abundance of different habitats teeming with wildlife. Its great variety of wildlife makes the MNR a superb place for photography. Visitors are invited to enter the photographic competition to capture images of life in the Reserve.

Urchin spines by Rob Spray

Lobster by Trevor Rees

Photographs can be entered in four categories -above or below the water in the Skomer Marine Nature Reserve:

1. Scenery
2. Animals
3. Seaweeds
4. People and activities

There is also a single category junior section (14 years and under) for younger visitors.

Jack Sound by John Archer Thomson

Entries will be displayed in the Skomer Marine Nature Reserve visitor centre at Martins Haven and submissions may be used by the Reserve for non-commercial purposes with full credit given to the photographers.

There will be prizes for all categories, closing date 31st December 2009

Please send entries either by email or on a disc to:
Skomer MNR Office, Fishermans Cottage,
Martins Haven, Haverfordwest, Pembrokeshire SA62 3BQ
or email K.Lock@ccw.gov.uk
